PROFILE

A finance graduate with strong interest in digital technology and cloud computing. I possess hands-on experience in finance and administrative roles, coupled with a growing skill set in digital tools and IT systems. I am eager to build a career at the intersection of finance and technology, and I am currently pursuing opportunities to develop my skills in cloud computing, data management, and digital service delivery through programs like Ajira Digital and AWS.

TECHNICAL SKILLS

- **Digital Literacy:** Proficient in Microsoft Office Suite (Excel, Word, PowerPoint)
- **Cloud Interest:** Currently exploring AWS and other cloud platforms for digital transformation
- **Data Management:** Experienced in working with billing systems, financial reporting tools, and budget monitoring
- **Communication:** Strong written and verbal communication in English, Kiswahili, and Luhya
